Erasmus + K1 project team

**On the road of innovation
2014.-2016.**

On the road of innovation

- European Development Plan /Europski plan za razvoj/

E. Description of the Project

What are the most relevant topics addressed by your project?

ICT - new technologies - digital competences

International cooperation, international relations, development cooperation

Creativity and culture

Me like digital learner in last two years:

- Elearning academy – 1 year
- Finished online courses (web 2.0 tools, web page design- google site, how to make a course using MOODLE)
- Coursera – on line courses in range (Powerful Tools for Teaching and Learning: Web 2.0 Tools, ICT in Primary Education : Transforming childrens learning across the curriculum
- Facebook – grupe web 2.0 tools

Why I'm here?

- How to motivate a teachers for using ICT
- Use of ICT in project work with students
- teaching methods with learners
- how specific technologies can be used in areas as culture and heritage
- Improve my English

- Split is the second biggest town in Croatia. It is situated on the Adriatic coast.
- During centuries there were a lot of changes of countris occupied Croatia and Split as well so the influences of different cultures are everywhere.
- Split is very well known for Diocletian's Palace which is protected by UNESCO.
